

	<u>Counts</u>	<u>Measures</u>
Repeat A and B. The large circle continues to move counter-clockwise.		4
IX.		
A. In position as in Step I, woman dances to man's L and back to his R while he dances in place with 2 schottische steps.		2
B. S houlder and waist grasp, partners turn clockwise, progressing counter-clockwise, with 4 step-hops, as in B of Step VIII.		2
Repeat A and B except that after 2 step-hops in B, man tosses woman high in air. Woman bends her knees, and springs upward, feet together, pressing down on man's sh oulders with straight arms, while he lifts her with both hands at her waist.		4
