Department of Physical Education

October 17, 1939.

Dear

Have you arranged for that date with the Folk Dance Clinic and Festival at the University of Kansas, October 28th? Better do it immediately, if you haven't already!

Dr. Anne Duggan, from Texas State College for Women, one of the most prominent folk dance leaders, is to be here - so you know what wonderful instruction and inspiration you will receive.

We extend to you and your students a most urgent invitation. Do come, for it is something you can't afford to miss. Your early registrations may be sent to the Physical Education Office, University of Kansas, Lawrence, Kansas.

Sincerely yours,

Ruth J. Hoover
