THE UNIVERSITY OF NEBRASKA
PHYSICAL EDUCATION FOR WOMEN
LINCOLN

Dear Dr. Allen:

Enclosed is my check for \$15.50 to cover fee for folk-dance festival for 6 faculty members at \$1.00 each and 19 students at 50 cts. each. We could bring quite a number more if we only could find cars for transportation, as it is we will have the four cars that are available full to the rim.

My sister Mrs. T. H. Asgman is trying to find inexpensive lodging for Sat. night for 15 of the students who are not socially people. If you know of any townspeople who might rent rooms will you let her know, please!

Please hold 6 places for the faculty at the luncheon. We are looking forward to the day.

Yours truly, Mabel Lee
