To Members of the Physical Education Department:

I believe it would be well for us to do all we can to encourage our Physical Education majors to register for the Folk Dance Festival to be held at the University on Saturday, October 28. This is a rare opportunity for them to receive instruction in folk dances from Dr. Duggan, an outstanding leader in this field.

Dr. Mabel Lee, of the University of Nebraska, is bringing two carloads of people who desire to attend the Festival, and I understand that a like number expect to come from Pittsburg, Hays, Kansas Wesleyan, Ottowa and Baker Universities, and Ruth Baker, of Salina, has sent her registration. When our own alumni from over the state, as well as physical education people from neighboring states feel it worth while to attend these sessions, certainly our own students cannot afford to miss this opportunity.

Students registering before Saturday may do so for 50¢, but the registration fee on Saturday is 75¢. This registration is for the three sessions of the Festival-10 to 12 in the morning, 2 to 4 in the afternoon, and the Barn Dance from 9 to 12 Saturday night. Registration is made at the Physical Education office, 105 Robinson Gymnasium.

I would appreciate it if you would take time in your classes on Thursday and Friday to read this communication to your students and urge their participation in this Folk Dance Festival.

Thanking you for your cooperation, I am

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach.
