## BASKETBALL INTERPRETATIONS OF THE BIG SIX CONFERENCE

FOR THE YEAR 1940

### 1. GENERAL SUGGESTIONS

- a. Officials should notify athletic authorities upon their arrival in town.
- b. Starting time of games will be as follows:
  - 1) Iowa State: 7:15 p.m. during the week; 7:30 p.m. on Friday and Saturday.
  - 2) Kansas: 7:30 p.m.
  - 3) Kansas State: 7:30 p.m.
  - 4) Oklahoma: 7:45 p.m. (May be 7:30)
  - 5) Missouri: 8:00 p.m.
  - 6) Nebraska: 8:00 p.m.
- c. The home team shall wear white shirts; the visitors are to dress in their school colors.
- d. A copy of the official box score shall be mailed to the Secretary of the Big Six Conference.
- e. The visiting team is to send to the home team, at least eight days in advance of the game, the names and numbers of all players who will make the trip.
- f. Each school is to exchange with all others squad information, primarily for pre-game publicity. This information should include number, name, position, height, weight, home town, year on the varsity, men lost by graduation, veteran letter-men returning, and any team records which may add to newspaper interest.
- g. The type of ball used by each school is as follows:
  - 1) Iowa State: Riddell
  - 2) Kansas: Rawlings Naismith Lace, or Rawlings Molded.
  - 3) Kansas State: Rawlings Naismith Lace.
  - 4) Missouri: Riddell
  - 5) Nebraska: Riddell
  - 6) Oklahoma: Riddell
- h. Ten men is the maximum that a coach may take on a trip. There is no rule on the number that may be used at home. (Director's rule.)

### 2. RULES INTERPRETATIONS

- a. On balls which go out of bounds behind the basket, the twelve-foot lane shall be permitted in which to make the pass back into the court. This, of course, does not apply to out of bound plays following a field goal.
- b. Whenever a ball is awarded to a team out of bounds in its front court, the official should hand the ball to the player in the front court, step aside, and say "Play", and be sure the player is in a position to play.

c. In the three-second count in the lane, the five-second count out of bounds, and the ten-second count in advancing the ball to the front court, it is asked that the officials use the so-called "artillery man's count". In other words, the coaches favor a slightly long second as they feel that officials have been hurrying, particularly the three-second and the five-second count. It is suggested that officials practice this count with a stop watch.

d. The official score book for the game is to be left at the scoring table at the half.

e. Attention is called that the officials take particular pains to see that the scorer knows on whom the foul has been called. It is recommended that the official in the most favorable position get this information to the scorer.

f. In designating field goals, it is asked that the official raise both hands up, as in a touchdown; that one hand be raised up for a free throw. In designating no goal, both hands crossed parallel to the floor, as in the missed point after touchdown.

g. It is asked that the official scorer for each school have printed in the back of the score book the pertinent rules regarding timing and scoring.

h. It is the desire of the coaches that Rule 7, Section 9, relative to running with the ball, be observed. Especially that part of the rule which pertains to a man running with the ball in attempting to get around a guard who is in defensive position.

i. Coaches approve a little slower whistle on held balls. In other words, they want the officials to give that one tug that is permissible before held ball is called.

j. Would like to call attention to Rule 7, Section 10, particularly to the wording that fumble at the end of a dribble is not a double dribble.

k. A substitute, when reporting at the scorer's bench, must have his sweat suit off.

l. The coaches would like to call the attention of the officials to Rule 14, Section 7, relative to disconcerting the free thrower on the free throw lane.

Dr. F. C. Allen,

Dear Dr. Allen:

In your absence your secretary answered my letter regarding the proposed basketball schedule meeting. She wrote that you had notified her that the meeting was to be held on Saturday, April 15. I must have been mistaken for my notes at the meeting read "the Sunday closest to April 15".

At any rate the others have replied to the notice and all say they can be on hand on the 16th, Sunday, as I requested. I hope that this does not interfere with any program you have arranged, but if it does let me know right away and we must call the thing off. It won't do any good to try to meet unless all can be present.

As stated before, the meeting is called for 2:00 P.M. Sunday, April 16 at the Hotel Continental.

Yours truly,

*George*

Mr. George R. Edwards,  
Basketball Coach,  
University of Missouri,  
Columbia, Missouri.

Dear George:

I have just returned from San Francisco, and find your note in regard to the meeting of basketball coaches in Kansas City.

I thought the meeting was scheduled for Saturday, the 15th. I will not be able to be there on Sunday, the 16th, on account of a conflict in dates.

Since it is getting rather late I would rather wait until the conference meet at Ames. What do you think of this idea?

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.

Mr. George R. Edwards,  
Basketball Coach,  
University of Missouri,  
Columbia, Missouri.

Dear Mr. Edwards:

Your letter of April 2 addressed to Dr. Allen came in this morning's mail. Dr. Allen, as you doubtless know, is in San Francisco attending the convention of the American Association for Health, Physical Education and Recreation. I expect him to return to the office about the 10th of April.

In a short note from Dr. Allen written on the train on Saturday, April 1, he mentioned the fact that the Big Six basketball coaches were to meet in Kansas City on April 15th for the purpose of drawing up the schedule for next year. Your letter of April 2nd says April 16.

Since there seems to be a little confusion in regard to the date of the meeting, I am wondering if it would be best to wait until Dr. Allen returns next Monday, then have him get in touch with you.

Sincerely yours,

Secretary to Dr. F. C. Allen.

Dr. F. C. Allen,  
Director of Physical Education,  
University of Kansas,  
Lawrence, Kan.

Dear Dr. Allen:

It was my understanding, as a result of our meeting in Chicago, that the Big Six coaches are to gather in Kansas City on Sunday, April 16, to draft next year's schedule. The purpose of this letter is to be certain of that understanding, for if one of us will be unable to attend the meeting must be postponed.

I have written to Menze and given a rather full explanation of our discussion in Chicago, and requested his attendance in Kansas City. Also, I asked him to reply immediately as to whether or not he can be on hand. To make things certain I am asking you and the others to communicate with me immediately as to your attendance. Then, later this week I'll report to each regarding the vote.

No place and time were set in Chicago so I am taking this in my own hands by setting the meeting at the Hotel Continental at 2:00 P.M.

In the meantime I am sending notes to each of the officials and telling them we hope to have some rather definite dates very soon.

Yours truly,

*George*  
George R. Edwards.
