April 10, 1939.

Dr. F. C. Allen,
University of Kansas,
Lawrence, Kan.

Dear Dr. Allen:

In your absence your secretary answered my letter regarding the proposed basketball schedule meeting. She wrote that you had notified her that the meeting was to be held on Saturday, April 15. I must have been mistaken for my notes at the meeting read "the Sunday closest to April 15".

At any rate the others have replied to the notice and all say they can be on hand on the 16th, Sunday, as I requested. I hope that this does not interfere with any program you have arranged, but if it does let me know right away and we must call the thing off. It won't do any good to try to meet unless all can be present.

As stated before, the meeting is called for 2:00 P.M. Sunday, April 16 at the Hotel Continental.

Yours truly,

George
