OFFICE OF THE DEAN

May 27, 1938

Dr. Forrest C. Allen
Dept. of Physical Education

My dear Dr. Allen:

The dates contracted for next season for the
University Concert Series run as follows:

November 14, a recital by Guila Bustabo.

December 1, The Don Cossack Concert.

January 16, Gladys Swarthout in recital.

February 13, The Kansas City Philharmonic Orchestra.

March 21, Joseph Hofman, pianist.

Music Week will begin on April 23rd next year, running
through the week. There will be one Ballet or other attraction
scheduled somewhere in these winter months, probably early
November, of which I will advise you just as soon as final
arrangements are made.

I trust everything is coming on well with the arrange-
ment of the basketball schedule which we should appreciate
having at your earliest convenience.

With best wishes,

Sincerely yours,

D. M. Swarthout
Dean
