

1925 Rhode Island
Lawrence, Kansas
September 5, 1945

Mr. E. A. Thomas
Kansas Athletic Commission
Topeka, Kansas

Dear Sir:

Enclosed is one dollar which I understand is the fee that is to accompany applications for officiating in High School Athletic contests.

My athletic experience was gained at Pleasantville High School and New York University, participating in football, basketball, baseball and ice hockey.

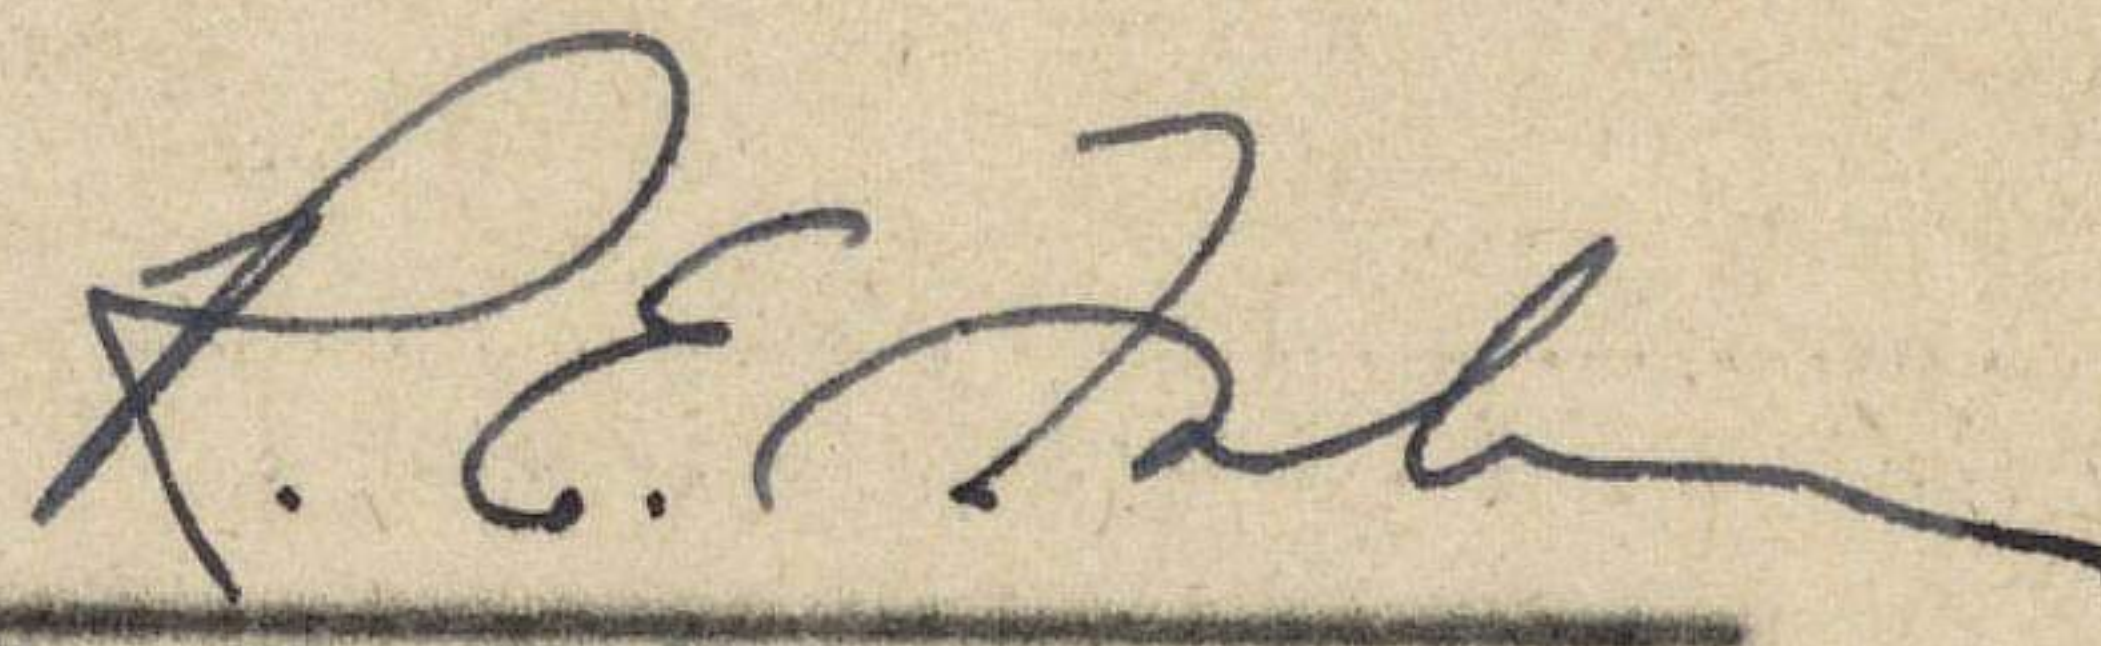

While in the Metropolitan Area in New York State during 1932--1939, I officiated for High Schools and Semi-Pro at football, basketball, and baseball games.

At present I am employed by the Hercules Powder Company at the Sunflower Ordnance Works as Property Control Engineer and expect to maintain my assignment for some time.

My paramount interest is to administer fair play and promote sportmanship with strict emphasis on the rules to avoid any possible injury to the contestants.

Dr. F. C. Allen, Mr. M. Getto, and Mr. E. C. Quigley have consented to furnish any additional references.

Yours very truly,

R. E. Fuhn
