

mail, send me any literature  
you may have put out on the  
training of boys and doctoring  
of injuries. Please let me hear  
from you at an early date. I  
will appreciate receiving any book  
or literature you have on this  
work, at once.

I have one or two boys  
here that are possible college  
players, and hope to send  
them to you.

Very sincerely yours  
H. T. Flaugher
