Dear Chester:

I was happy to receive your fine letter quite sometime ago. I am very sorry that I have not been able to answer it before now.

It was certainly fine to hear all about what you are doing and, also, to read your sympathetic remarks concerning our loss to Oklahoma A & M at the end of the season. I hope, as you mentioned, that we will be able to win our share of the games with them next year.

I also was interested in your comments concerning the type of basketball played in Florida. If it is as bas as you say, it certainly must be pitiful to watch.

I suppose that by this time you have made your choice as to your work. I am sure that whatever vocation you choose it will be the best for you.

I hope that you will find time to drop me a line again to keep me informed of your activities.

Sincerely,

Director of Physical Education,
Varsity Basketball Coach.
