Dear Norma:

I am mighty happy to have your letter. It is always good to hear from you. I have a few books here that I keep for just such purposes. My new book is called "Better Basketball". It is published by McGraw - Hill and Company of New York and sells for \$4.00. The parcel post mailing charge is 10¢. I will be very happy to autograph the book as you would like it, and will mail it to you, and you in turn can mail it on to T.P.'s nephew.

I think you would enjoy reading the tales of yester year. There are seven stories in the back of the book that I wrote for the purpose of stimulating young boys to live clean prior to their athletic careers. These stories that are being printed in the Jayhawk Rebounds are the stories that I wrote for this book. I know T.P.'s nephew will get a great kick out of them, and I believe you would be interested in reading a lot of the stuff much of which is not so technical but what you could enjoy it.

The photographs in this book are of members of my 1936 basketball team. Milton Allen, Fred Praile, Lester Kappleman, Frances Kappleman, Lynn Corliss, Ray Noble, Paul Rogers, Ray Holliday, and Dave Lutten are some of boys in the photographs shown. Please let me know just what you would like and I will be glad to follow your instructions to the letter.

Mrs. Allen and I often speak of you with much affection. Our love to you.

Sincerely yours,

Director of Physical Education  
Varsity Basketball Coach
