San Francisco, California

Dear David:

I am happy to acknowledge receipt of your letter of the sixteenth ultimo and to tell you that I have mailed Rebounds to Major Carl Lindquist according to the address you gave me. I am also sending your cousin, C. L. Francisco, a copy of Rebound No. 17. Both of these gentlemen are being put on the mailing list for future Rebounds. It is a great pleasure to do this and if you have other friends that would like copies of the Rebounds I would be glad to send them to them if you would give me their addresses.

Just this afternoon we got the wonderful news of Russia's entry into the war. This is one of the most heartening things that has come to our nation in a long time. We certainly will do some business now with those slit-eyes!

I trust that Jayhawk Rebound No. 17 reaches you shortly. I have had difficulty with my No. 18 Rebound, but I'll let the Rebound tell you about that if and when you get it, which I hope will be soon.

I saw Dr. Latimer on the street the other day and he brought up the matter of receiving a very fine letter from you. Last week I also visited with Dr. Dean Brooks who lives just across the street from us here at Lawrence. He is looking wonderfully well and is much matured. He is a fine chap and we were delighted to have a visit with him.

I am glad that they haven't thrown too much hate over on you and I am equally happy that none of the suicide boys have dropped in on your deck. With every good wish to you, I am

Sincerely,
