USS PRESIDENT ADAMS
Care of Fleet Post Office
San Francisco, California

UNITED STATES NAVY

Lieut. C.L. Francisco, MC, AUS, who is very busy with orthopedics at Beaumont General Hospital Annex, El Paso, Texas.

We have had a quiet past with months, with a number of routine trips. Very many times our peaceful surroundings and quiet sea have appeared to preclude possibility of hostilities within hundreds of miles! And again we have seen ravages of war on cities and populations.

Thanks again for the wonderful "Rebonds". I am passing them on to Lt(jg) "Duke" Wellington - son of managing editor of KC Star, who lives in adjoining cabin.

yours very truly

David Francisco -
