

Sun. 17, Dec.

Doctor.

Recied the Jayhawk
Rebounds and as usual had
an hour visit with old friends.

As you can see by
the return address I did
make Bainbridge.

Have been seeing some
good B.B. but miss that man
drinking all the water from
the qt. bottle. And of course
Dean holding him on the bench.

My regards and Thanks
to you and yours.

Thanks again

Dennis Burns
