Copy to each of the
Big Six Basketball Coaches

Gentlemen:

Decision has been made to start all of
Missouri's home basketball games at 7:30 p.m.

The half hour later time formerly in
vogue was necessitated by the fact that a large
portion of our crowd came from near-by towns. This
patronage will be missing this season so we will
begin all home games as specified above.

Yours truly

Geo. R. Edwards.

George R. Edwards,
Coach of Basketball.
