Dear Doc:

Reeves Peters, who is scheduled to work in our game here on February 26, is unable to work because the Board will not permit him to leave town for a Monday game. Ted O'Sullivan, who is the next man on our list, has a game on this date.

I have not contacted John Waldorf or Harris Newman. It is my impression that neither of these men is working basketball games this winter. Do you want me to write them, or is there someone else that you prefer? Will you give me a list of the men in the order in which you want them contacted and I will attempt to get them in that order.

From all I can hear, those Jayhawkers are certainly tough again. We took quite a licking at Nebraska, but for once was able to beat a Creighton team.

With best wishes, I am

Sincerely,

L. E. Menze  
Basketball Coach
