Mr. Harold G. Ingham, Director,  
Extension Division,  
University of Kansas.

Dear Harold:

I know exactly how you must feel in losing your valuable secretary. I am going to lose Mrs. Hulteen July 1, and I will be in the same fix that you are. Mrs. Hulteen is going to spend time at home raising her family and I could not think of denying her request.

Thanks very much for the splendid contribution of \$25.00 to the Red Cross. We are delighted to have it and I know how much good the Red Cross will benefit from this and other contributions.

I have never seen you at any time but what you were more than covered up. You are like I am - you take on more work than you should do.

Trusting that your health is holding up under the strenuous strain, and with kindest personal regards, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
