Dear Doc:

You certainly gave those Oklahoma Aggies a battle last night. I was pulling hard for you to knock them in.

I have gone ahead and secured Moe Pressley of Omaha for our game here on February 26. The two officials are, as you know, Carroll and Pressley.

Tell Mrs. Allen that I, too, am sorry that I did not get to see her the other night. Your boys had the ability to come through and after all, that's what counts.

Best wishes, and I will be seeing you here soon.

Sincerely,

L. E. Menze  
Basketball Coach
