Mr. Harold G. Ingham,
Director, University Extension Division.

Dear Harold:

Mrs. Allen and I received your letter of the 23rd instant telling of your need for accommodations for Friday night, March 12th.

Mrs. Allen has filled the house up with four teachers, so every room is filled until after school is out.

We are always glad to cooperate with you whenever possible.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
