Mr. L. E. Menze,
Basketball Coach,
Iowa State College,
Ames, Iowa.

Dear Louie:

Confirming our conversation prior to our game here in Lawrence, I am leaving the matter of officials entirely in your hands, and as soon as you have the officials arranged will you write me confirming your selection?

Boss said that she was indeed sorry that she didn't get to see you. She asked for you but you had gone with the boys over to the gymnasium and she was not able to see you.

You certainly gave us a whale of a scare and everybody is talking about the heroic finish that your boys put on here. We were fortunate that you did not nip us.

With love to Mattie and the youngsters, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
