

October 5, 1942.

Mr. Don Isett,  
Cedar Rapids, Iowa.

Dear Don:

Thank you very much for your two fine letters. I am so doggone busy with the start of this conditioning program that this is merely an acknowledgment, and at the first breathing spell I am going to write you a letter. We do appreciate everything you have done.

Very cordially yours,

BCA:AH

Director of Physical Education,  
Varsity Basketball Coach.
