Mr. Morris Alder, Manager,
Norman Courts,
Norman, Oklahoma.

Dear Mr. Alder:

Thank you for your very good letter of the 20th instant calling our attention to Norman Courts. We doubtless will come down on the train to Oklahoma City and wait there until just before game time.

However, there is a possibility that we might come to Norman and stay at your very attractive location. You may hear from me further on this.

Very sincerely yours,
