Mr. Don Isett,  
437 26th St., S.E.,  
Cedar Rapids, Iowa.

Dear Don:

I am sending you a carbon copy of the letter that I have written Karl Schlademan. I am still battling for you, although at present it seems a little cloudy. Count on me to help you out in every possible way.

A friend is a fellow who is willing to help a fellow out who needs a little help and where a favor will do some good. So if at any time in the future I can see an opportunity to go along on this project you may count on me.

I trust that you had a very merry Christmas and will have a happy New Year. I am sending you a copy of our last two issues of the Jayhawk Rebounds in which you may find some informative reading, although the last Rebounds is a matter of addresses for the boys in the service.

With every good wish, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
