Dear Doc:

Thanks very much for your letter. We felt we were fortunate in winning the Oklahoma City tournament, but naturally that court is more like our home court than any other one we play on.

We enjoyed the game with your team, and from all appearances, it looks as though you will not have any trouble in winning the Big Six conference. Our boys thought you had one of the best teams we have met this year.

Best wishes for a successful season.

Sincerely,

H. P. Iba
