Mr. Henry Iba,
Coach of Basketball,
Oklahoma A. & M. College,
Stillwater, Oklahoma.

Dear Henry:

Congratulations on your very wonderful trip east. You certainly made the easterners raise their eyebrows perceptibly.

I noticed a story out of New York where you are in favor of the higher goal. I am glad that you came out with this because I am convinced that this will drive the basketball "goon" out of the game and we will have better contests all around if we use the higher goal. This driving in and laying them up under the basket, is a bad procedure. I would be glad to know how the east received your higher basket idea.

With all good wishes for a very prosperous and happy New Year, I am

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
