August 26, 1940

Mr. Ira Stockebrand, Coach  
Independence Junior College  
Independence, Kansas

Dear Coach Stockebrand:

I am autographing the book which I promised you.  
I thank you for the remembrance.

I am also writing regarding your foot. If I can be of any assistance to Dr. Blandin Smith I desire to say that you have an anterior sacro-iliac sprain. I have found by tipping the pelvis backwards that this gave you great relief, and of course, shortened that leg. If you will look in the book on the Treatment of Athletic Injuries, you will see the manipulation photographed there and also a description of the manipulation. This is given by Elwyn Dees under my direction.

I trust that your foot trouble will rapidly disappear. I also want you to know that I enjoyed your companionship and the visits with you. It was good to see you I assure you.

With all good wishes, I am,

Sincerely yours,

Director of Physical Education and Recreation  
Varsity Basketball Coach
