

March 1, 1940.

Mr. Harold G. Ingham,  
Director, Extension Division,  
University of Kansas.

Dear Harold:

I saw Larry Winn and talked at some length with him, and I believe everything is under control. I will do nothing further unless I hear from you, but I assure you if you do call on me for anything at any time I will be glad to cooperate with you one hundred per cent.

Very cordially yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
