To the Registrar

Dear Sir:

Will graduate this coming May from Rockhurst High School, Kansas City, Missouri and wish to inquire as to the possibility of my matriculating into the University of Kansas.

Am interested and desire to take a course in Aeronautical Engineering. Please favor me with all information, entrance date, matriculative fees, tuition, and such other data as is necessary. Am interested in working my way through school. Have athletic ability - football and baseball. Am 6-1 $\frac{1}{2}$ tall, weigh approximately 200. Was seventeen years of age January 5, 1943.

Would like to obtain at least one year university study before being called to service.

Your kind attention and early answer will be sincerely appreciated by,

Gill Burdick
