Dr. Forrest C. Allen,
Lawrence - Kansas.

Dear Dr. Allen:

Wanted to write just a short note and thank you for making it possible for the Bakers and Jessens to get tickets for the Kansas - Oklahoma Basketball game. We had fine seats and enjoyed the game immensely

Want to congratulate you on the Kansas team record from the beginning of the season to the end. We are so pleased that Hoyt had an opportunity to play under your instruction and appreciate what you have done for him. Hoyt will be up tomorrow on the Santa Fe Streamliner.

We had a nice visit with Mrs Allen on the Basketball court. With very best regards.

Very sincerely,
Paul E. Baker
