Dr. F. C. Allen  
Physical Education  
University of Kansas

Dear Dr. Allen,

Confirming our conversation of November 20,  
1943, with the agreement of Dr. Key, it seems advisable  
to close the pool temporarily because of several cases  
of scarlet fever among navy trainees.

Very truly yours,

  
Ralph I. Canuteson, M.D.  
Director
