Mr. H. J. Little, Manager
Health Spot Shoe Shop
316 East 11th Street
Kansas City, Missouri

Dear Mr. Little:

I acknowledge receipt of the shoes, as well as your letter, which indicates that I owe you \$10.50. Please find enclosed a check for this amount.

Also, I wish that you would mail me at least one-half dozen or one dozen laces for the shoes, both light and dark tan if you have the laces in that color. Maybe the dark tan would do for all of them. I find that I have difficulty in obtaining the right length laces for these shoes. The extra eyelet that the Health Spot Shoe has causes me difficulty in obtaining the right length. Please mail them together with the bill and I will remit.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
