

30 Dec 45

Dear Dr. Allen,

I thank you very much for the excellent letter you sent to Harvard in regard to my entrance.

We were all pulling for you and the Jayhawks in the tournament at Oklahoma City over the holidays. I feel sure if we meet the Aggies later in the season things will be different.

While I was home Christmas I saw Ray Evans play in Kansas City with the Denver Ambrose team. He is still the hard-driving hustling player he always was.
