Dear Sir,

I am out of the Marines now  
and back in school here at Purdue.  
I was commissioned at Camp Lejeune  
and placed on inactive duty.

I will graduate from here in  
March with a B.S. in Metallurgical  
Engineering. I am planning to enter  
the Harvard Graduate School of Business  
in June.

I would appreciate it very much  
if you would write a recommendation  
for admission to the school  
for me. The address is
