Dear Dr. Allen,
Please excuse me for resorting
to this means, to convey to you our gratitude
for being invited to having dinner with
you and your marvellous ball team after
the game of last evening.

Mrs. Harrison and I, so greatly
appreciate your fine hospitality and want
to wish you and your team the very best
of luck on your coming tournament.

Let me add that you will always
have two rabid fans in Margaret and
Betsy Harrison.

Thank again for all the niceties
shown us by you in your visit to
Oklahoma City,
our best regards to
you,
Margaret & Betsy Harrison
