Mr. W. H. Hukriede, Superintendent
Wilson Public Schools
Wilson, Kansas

Dear Superintendent Hukriede:

I am sorry indeed that I missed the bet on your sound film. Upon receipt of your letter this morning I immediately called our Extension Division and got in touch with George O. Starkey, who states that they have a sound film on fundamentals by, he thought, the University of Indiana.

We have a two real silent film on basketball teaching, but do they want sound film and not a silent? I did this job for the Eastman Film Division at Rochester, New York. It was in their teaching film division and we used the Kansas basketball team to demonstrate. It is a fine classroom teaching film, but not for entertainment alone. They would not use the sound film because if they did the movie industry would fight them. We may make a sound film in the near future.

I also recommended that Mr. Starkey write you regarding a fine football film that I saw in our Rotary Club meeting a few weeks ago. This is a thrilling thing and I thought the boys would like it.

I am sure that you will get immediate action and trust that you have a fine athletic banquet with your Lions Club. Please congratulate the boys of your football squad and your basketball squad for me.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
