Dear Doc:

Certainly enjoyed watching the boys take Oklahoma. You were so busy after the game and we had a long drive home so I didn't stop to say hello - figured you would be more alone and need me when you lost one.

Since Dad passed away last May I have been in Pittsburg operating his business for Mother. Sure do miss him but the old battle has to go on.

Would you please ask the athletic office to send me six tickets for the Iowa State game, Feb. 25th, - enclosed you will find my check for \$8.10. Believe this is the right amount, but if not, will forward balance needed.

Enjoyed Black's performance immensely but as usual found myself watching Peck, Clark and Gear. You can't put 'em in unless you got the ball, eh Doc. Best regards to Mrs. Allen and the boys
Sincerely,
Jasper Hill
