Mr. Lacy Haynes, jr.,
Chief Specialist, U.S.N.
Lexington Hotel
Lexington Avenue & 48th Street
New York, New York

Dear Lacy:

I ran into your dad at the Muehlebach Hotel last week and he gave me the good news regarding your splendid promotion. We are mighty proud of you the way you are sticking in there and progressing. We hope it will not be too long until you are able to return to your old stomping ground and see some of these torrid Big Six battles.

I am a little scared on this Oklahoma game coming up this Friday night. Our team is not functioning so well, rather spits and sputters now and then, but we have hopes of getting pretty well up in the percentage column.

I will not write a long epistle but just wanted you to know that we are keeping track of you and are always happy for you when the promotions are up. With all good wishes, I am

Sincerely yours,
