Mr. Harry Huston
Superintendent of Schools
Blackwell, Oklahoma

Dear Mr. Huston:

Dr. Forrest C. Allen tells me that you are looking for baseball players to play for Blackwell this summer. I have talked with a pitcher and two infielders from our Varsity team and I have asked them to write to you.

Rayburn O'Camb, age 20 years, is a 6-foot 2-inch left-handed pitcher and he has done an outstanding job for the Varsity this spring. His record is good at K.U. and his earned-run average is excellent.

William Morrow, age 20 years, a native of your city, is a hard-hitting infielder. At present he is in the Navy R.O.T.C. at K.U., but he will be out soon. He should be glad to play ball in his home town.

Harold Stewart, age 20 years, is a first baseman with excellent fielding abilities. His home town is Tulsa. He also can play in the outfield.

These men lettered this year at K.U. They are highly qualified, in my opinion, to play ball on any semi-pro team in this area. I advise that you write to them as soon as possible because they will be leaving school within a week or two.

For your information I will give you their addresses.
