Dear Lester:

I have failed to answer your letter of January 16 due to the pressure and grind of completing our basketball season.

It was indeed a pleasure to hear from you and to know that you are interested in playing basketball for Kansas University. We are very happy to know that you will consider coming to Kansas.

I am enclosing a brochure on the Physical Education Department of the University for your information. Should this be incomplete, or should you have any further questions concerning K.U., please feel free to write again.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
