Dear Sir,

I'm looking forward till the time I get my discharge from the Army and can enroll in college.

Kansas University offers everything I want, as far as I know. I'm very much interested in playing basketball, there. I graduated from Newton High School, Kansas, in 45' and since have served with the Army.

At present I'm on my way to Greenland. However it won't be long before I can wear civilian clothes again.

I would appreciate any available information from the University.

My return address is: Pvt. Lester D. Haase
