

The Kansas Electric Power Company

Sept 11, 1945

Dear Phog:

Just noticed last night the enclosed was your personal check. No deal-Phog, but appreciate it just the same.

If you ever get reimbursed (and I don't think you will), just use it to pay the many expenses which are going to come out of your pocket during your year as Governor.

Best of luck & good wishes.

Rotarily
Your good friend
Lee
