Salina, Kansas

My dear good friend:

I assure you it will be a great pleasure to cooperate with you in the matter in which we started some two weeks ago. You may assure Helen that I will be tremendously interested in her. I want her to get what she desires because she is a very worthy girl. I am making a notation to follow this up in a very short while.

I am to speak in Salina tonight and hope to see you and will endeavor to call John Short. I trust to communicate the other things that I want to speak to you about in person.

With all good wishes,

Sincerely,

Director of Physical Education,
Varsity Basketball Coach
