Mr. Bill Huggins,  
709 West 6th St.,  
Coffeyville, Kansas.

Dear Bill:

I have been in Iowa and over at Topeka at coaching schools. I want you to know that I was happy to know you enjoy the Rebounds.

I am glad to know that Teady is in England and is getting along splendidly; otherwise you would have told me.

Kansas prospects are for a fair team, but I do not think we will win the Big Six because our staff are spending most of their energies on doing things trying to win the war, rather than to have a Big Six championship in wartime. Of course the boys and the coaches will do as well as they possibly can, but they are not out over the country hunting athletes when we are needing fighters and fighter-helpers first.

Thank you for sending the stamps for the Rebounds. We will keep them coming to you as we write them. I am now getting ready to work on Number 11. It will have all the football depe there regarding the team. In this way you should be able to follow the team a little more intimately rather than in reading the papers. Coaches Shenk and Schaake and Dean Nesmith, trainer, are developing a fighting team and will get the most out of them according to their abilities.

Please give your dad and mother my kindest regards, and when you write Teady tell him we are all pulling for him. With all good wishes, and trusting that you are feeling some better, I am

Very sincerely yours,
