

October 10, 1944.

Mr. Vic Hurt, Director,
Philbrook Art Museum,
Tulsa, Oklahoma.

Dear Vic:

It was good to see you and Mrs. Hurt, and we enjoyed immensely your wonderful hospitality - the dinner, the show together, and the trip through the art gallery. It was wonderful of you to take the time out of your busy life to extend this hospitality.

I am sending you a Jayhawk Rebounds, the monthly letter that I send to the boys overseas. I am sure some of the names will be familiar to you, and if you desire we will be glad to put you on our permanent mailing list.

With sincere appreciation, and best wishes to you and your good family, I am

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.

MEMO

TO

Dr. F.C. Allen

My dear Dr. Allen:- Thanks for the "ReBounds" you sent. That was a well deserved tribute you paid to T.P. Hunter. He was much beloved.

Our Bobbie is on the Sea, we do not know where. At present his address is care of the Fleet Post Office, San Francisco. When I hear where he is definite or what ship he is on will let you know. He got to spend fine days with his young son. It is tough for these boys to break away from their little families, but he went like a real hero, conscious of a mission to be performed. We are proud of him, and hope a protecting grace will overshadow him and enable him to return home to his family. It puts a real "hurt" in the heart when these laddies go.

Best regards,

Robert A. Hunt

Minister

September 28, 1944.

Mr. Joseph A. Harman,
City Recreational Director,
Basketball and Track Coach,
New Ulm, Minnesota.

Dear Mr. Harman:

I am glad that you liked "Better Basketball". I think you will find it quite informative at times.

Now, regarding the plantar warts on the bottom of the feet. Take a sharp knife, do not cut but pick the excess metastatic accumulations from the area. Do not trim any part of the skin area away and do not pick out this material until it gets tender. Rather, scarify the tissues without causing a tenderness or bleeding.

Take nitric acid and dip the porous end of a wooden match into the nitric acid. Do not leave any excess of fluid, but touch up the end of the wart with this nitric acid. There should be no excess of moisture in the wart area but just enough to kill the growth of the wart. Then take a very small bit of unguentine and put immediately over the nitric acid application. Then take a large square piece of adhesive, about twenty times the area of the wart, and paste the adhesive over that area.

Generally one application will do a good job. Wait for about five days, look at the area and if that wart has not gone entirely, touch it up again. Of course remove all of the unguentine from that area before the second application because the grease will not permit the acid to act on the tissue that you desire eliminated. Two or three applications will always do the job.

If there is any trimming with a razor blade around that area it is a mistake. You better wait until Nature grows a good heavy skin over the area if the trimming has been done. You need all the pad and cushion, and the burning takes place just enough to clear the masticity.

Thanks for your good wishes, - and mine to you.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Dr. F. C. Allen
University of Kansas
Lawrence, Kansas

Dear Dr. Allen:

Accept my thanks for your autograph in my "Better Basket Ball" which I have received. The book has already done yeoman service in taking care of some foot ball injuries.

We find that a couple of our boys have plantar warts on the bottom of their feet. At the Iowa Coaching school you gave us a method for removing these. I did not get this procedure in its entirety. I am wondering if you would be kind enough to send it to me.

Best wishes for a successful year.

Sincerely yours

Jos. A. Harman
City Recreational Director
H.S. Basket Ball and Track Coach

October 2, 1944.

Mrs. Irven Hayden, Jr.,
Atwood, Kansas.

Dear Mrs. Hayden:

It was a pleasure to hear from you, and to know something of Irven's whereabouts. Yes, indeed, we are very happy to place his name on our permanent mailing list, and I am sending him some of the back issues of the Jayhawk Rebounds so that he can see what has gone before. I am also sending you the current issue.

With best wishes to you, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

FCA:AH
Enc.

Atwood, Kansas -
Sept 27, 1944.

Dear Dr. Allen:

I see by the Graduate Magazine that you are sending a newsletter to the boys from the phys. ed. department and am writing to ask if you will please include Irven's name on the mailing list - He would really enjoy hearing about the other fellows and the athletic activities at K.U.

He has been in India with the Air Force for a year now - and mail reaches him at the following address:

T/4 IRVEN W. Hayden Jr. 37333265
2005th Ordnance M Co (AF)
APO 492 % PM
New York, N.Y.

Thanks a lot -

I heard from John Pitsch recently.
He is in France with the Field Artillery
and writes that they have the same
spirit as the Plagerville Plashes had
at K.U. and a better team so the
Germans are in for a drubbing -

I'm staying in Otterwood for the
duration and taking care of our
prospective football player - Mike - We're
looking forward to returning to
Lawrence so Irven can get
his degree after the war -

Sincerely,

Ruth Kelley Hayden -

Mr. E. L. Hanstine,
1001 Hubbard,
Great Bend, Kansas.

Dear Mr. Hanstine:

I am not acquainted with the formula for iodine liniment, and I do not quite understand your letter. We use a great deal of Cramer's Athletic Liniment.

We use a great number of liniments, but will you not write me and tell me where you got the information on iodine liniment?

Very sincerely yours,

FCA:AH

Lawrence Ks.

Dear Sir.

Will you please
send me the formula
for Iodine Linniment
I was told by a friend
that it was a great
relief to stiff joints
and I have a knee in
pretty bad shape. I am
inclosing a self addressed
envelope. if there are any
charges let me know.

Thanks.

Respt. yours.

Mr. D. C. Hauff,
Dwight Hauff Sporting Goods Co.,
511 Pierce St.,
Sioux City 16, Iowa.

Dear Mr. Hauff:

I have written McGraw-Hill and Company, 330 West 42nd Street, New York, N.Y., the publishers of my book, and you will hear from them in a very short while.

I have a few copies for autograph sales, but you will get a very much better proposition from my publishers than I would be able to offer.

Thanks for your kind remarks regarding the coaching school. I personally enjoyed the same very much.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

September 21, 1944

Coach Phog Allen,
Kansas University,
Lawrence, Kans.

Dear Phog:

We have had several requests for your new book on basketball. Will you arrange to send us several copies of this book so that we can take care of these requests. If there is any chance to receive a dealers discount we would appreciate getting it as it may be that we can sell quite a few of these for you. If it is necessary to order a certain quantity to get this discount, please send us that many.

I was at the coaching school at Boone, Iowa this summer and again enjoyed listening to your lectures on basketball very much.

Yours very truly,

DH:e

D.C. Hauff

October 3, 1944.

Mr. Bud Howard,
503 S. 2nd St.,
Arkansas City, Kansas.

Dear Bud:

I am happy to acknowledge receipt of your letter of recent date, and I am mailing you by parcel post a copy of my text, "Better Basketball". I trust that it will be of interest to you and your family. Your dad will like to read the stories of great games that have been played by Kansas, and modestly I believe he will get a kick out of some of them, especially the stories regarding his old pal, Dutch Lonborg.

If your knee is giving you much trouble perhaps you had better make another trip up. I am sure that we can improve it even more. Naturally the bandaging will impede your progress somewhat, but perhaps it can be taped in such a way that you can still get more action out of it than you are now getting. Let me know ahead of time if you plan to come up.

I am sending you a copy of our latest Jayhawk Rebounds which I believe you will enjoy inasmuch as I believe you saw T. P. Hunter play a number of times.

With all good wishes to you and your good folks,
I am

Sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.

Dear Mr. Allen,

This may seem as if I have taken quite some time to write, thanking you for putting me back on my feet again, but I've been pretty busy. Practicing football, and going to school. My leg feels quite some bit better. I've been doing pretty good in practice, but I am slowed down considerably by the pad on my knee, I can't take a full stride. I do hope you & your family are enjoying good health.

You told me, the day I left, that if I would send you four dollars, that you would send me a personally autographed copy of your book. I would appreciate that immensely. We ought to have a very good team,

this year, if we can get
started we ought to take
the Ark Valley. Well, best
of wishes "Proq", and once
more, "thanks a lot."

Yours
Bud Howard

October 3, 1944.

Mr. John Hall,
Armstrong, Iowa.

Dear Mr. Hall:

Thank you for your letter of September 29th asking about my text, "Better Basketball". I will be very happy to send you an autographed book, if you desire. The price is \$4.00, plus 10¢ postage. I believe you will find this is less expensive than the c.o.d. charge. Upon receipt of your check or money order I will be very happy to send you the book immediately.

Our Extension Division does have some basketball films which they rent at a nominal fee. If you will write to the Bureau of Visual Instruction, Extension Division, University of Kansas (attention Miss Woodbury), I am sure you can get some definite information on their rental service. There is one film, "Basketball Fundamentals", which is very fine. I show it each year to my basketball squad.

Very sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.

Mr. Forest C. Allen
Director of Athletics
Kansas Unniversity
Lawrence, Kansas

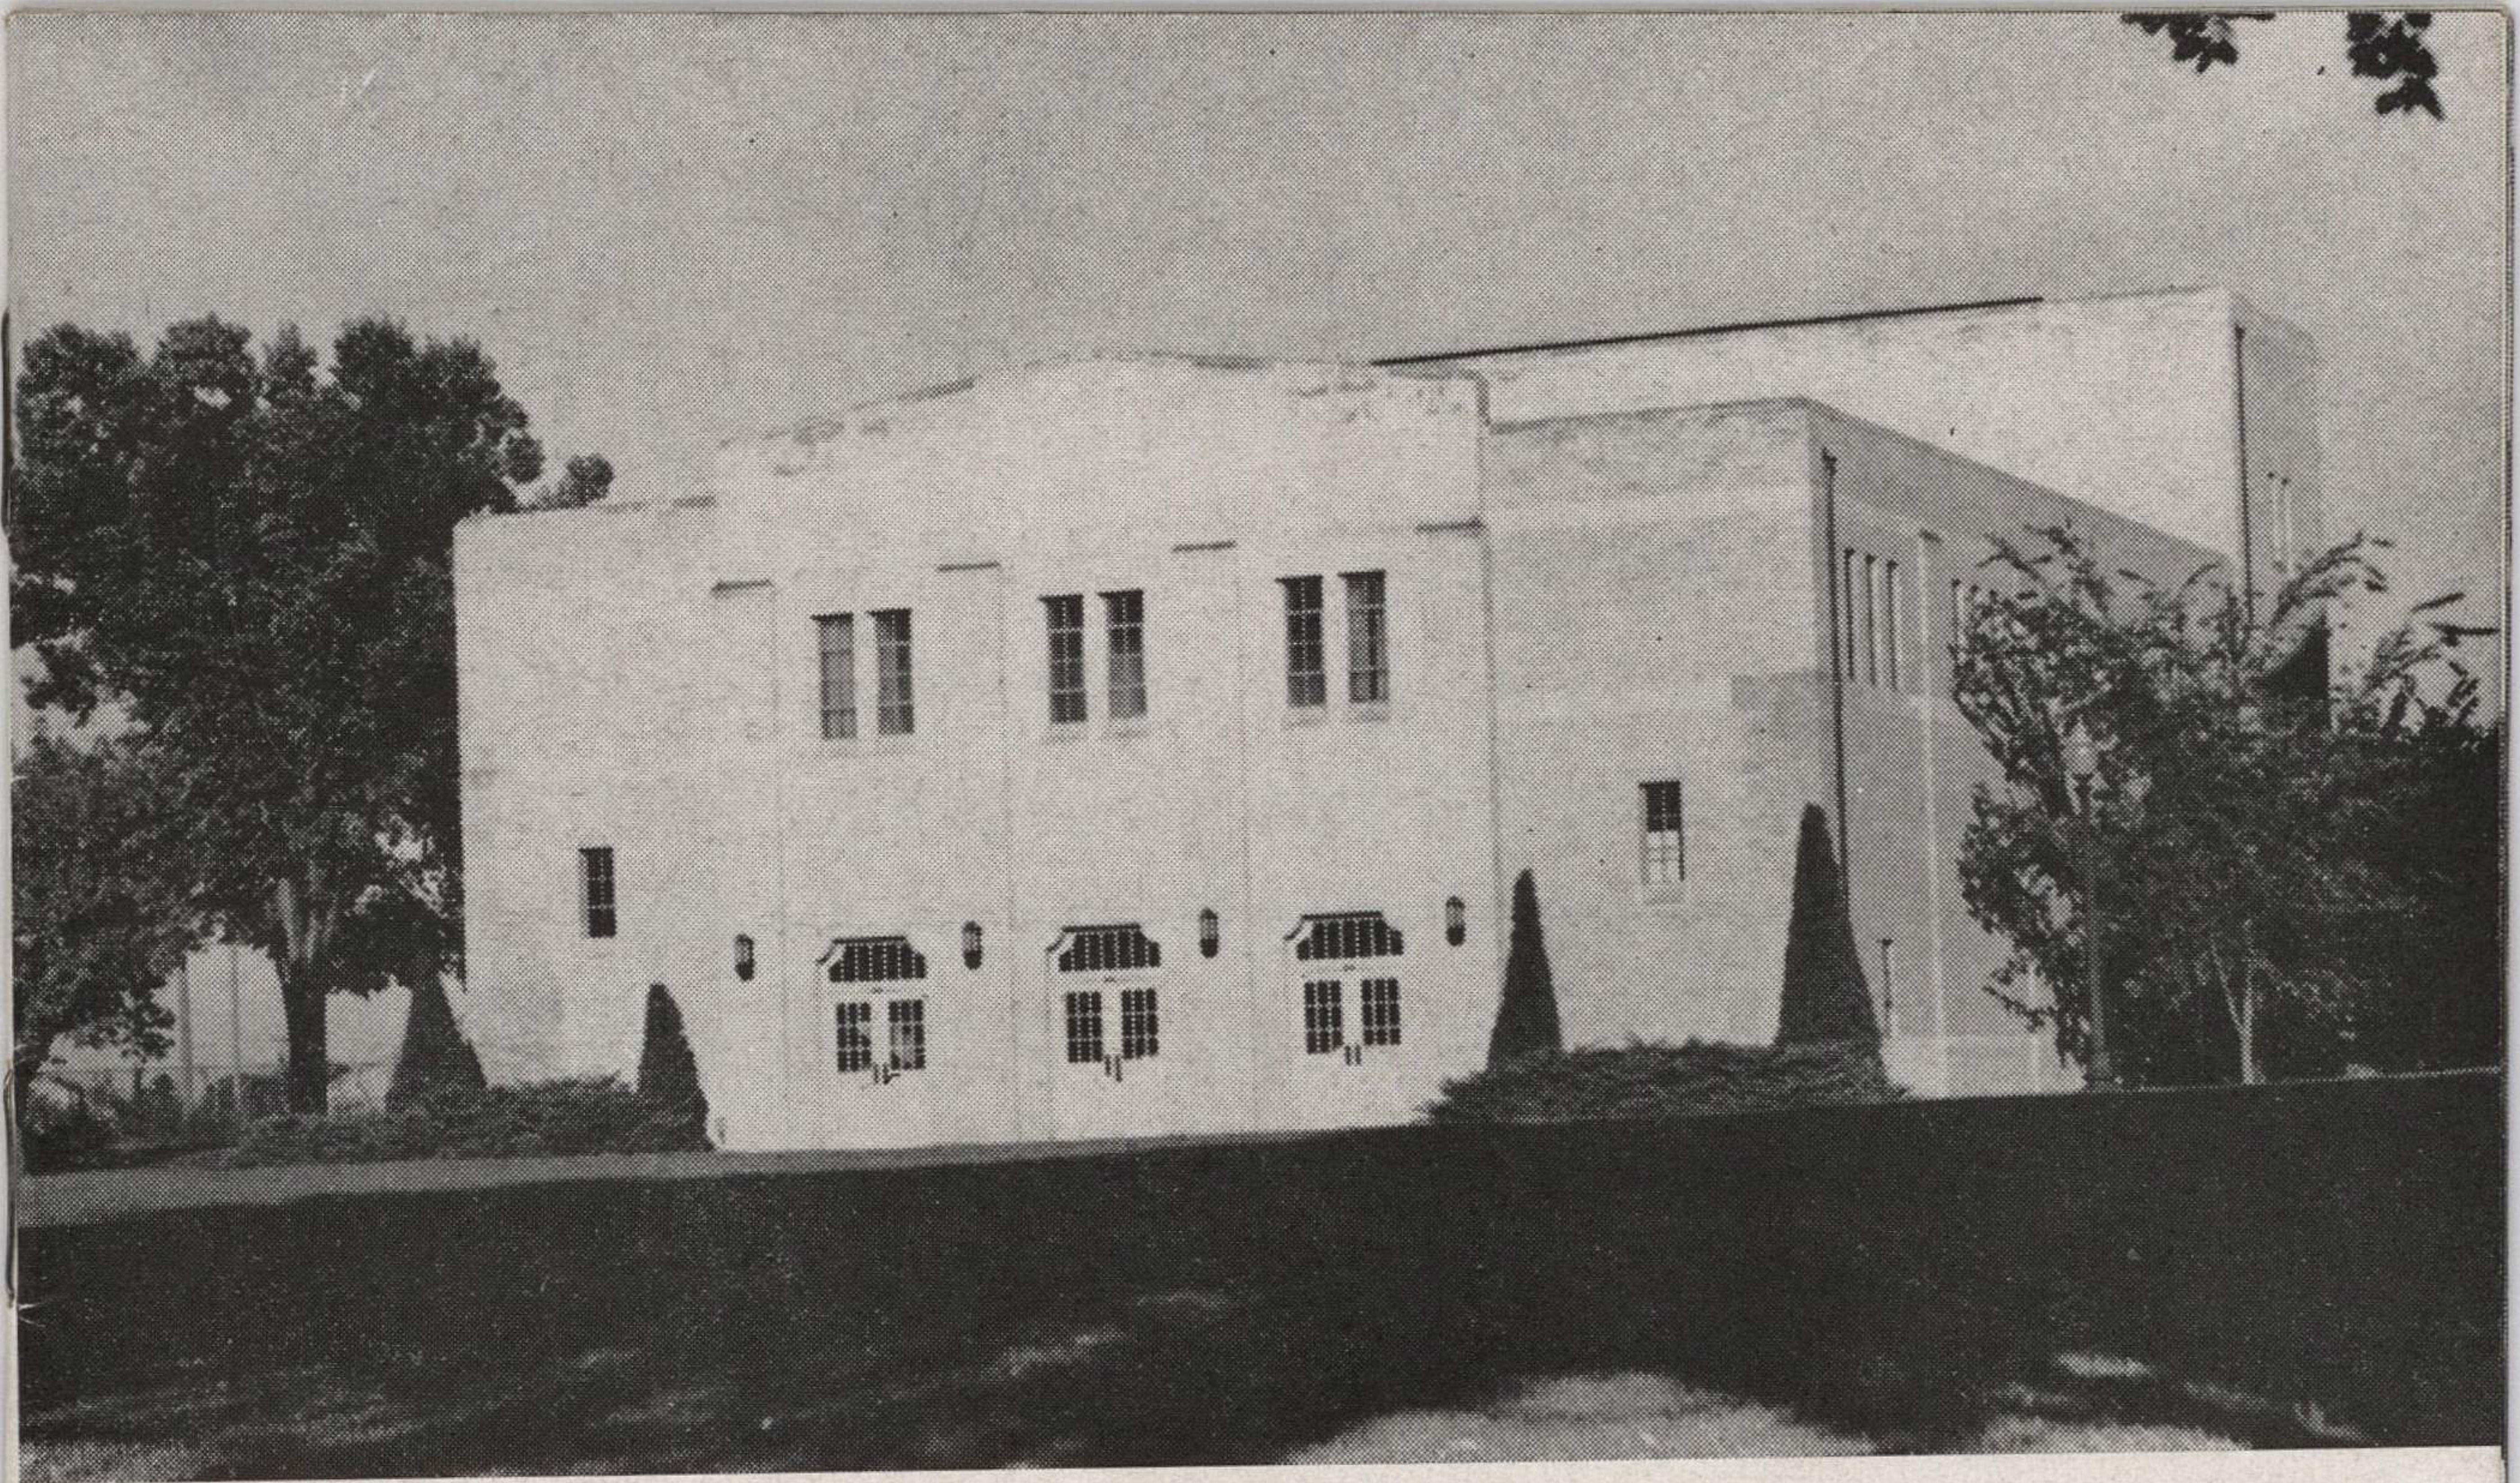

Dear Mr. Allen:

Please send C.O.D. a copy of the basketball book that you emphasized in Coaching school. The reason for asking C.O.D. is because I am not certain of the price. This service will be appreciated.

I also would like some information on whether you sell or rent out basketball films of the 16mm variety. Enclosed is a self addressed envelope in which you can send this information.

Very truly yours,

John Hall
Armstrong, Iowa
