Dear Dr. Allen:

I see by the Graduate Magazine that you are sending a newsletter to the boys from the phys. ed. department and am writing to ask if you will please include Irven's name on the mailing list - He would really enjoy hearing about the other fellows and the athletic activities at K.U.

He has been in India with the Air Force for a year now - and mail reaches him at the following address:

T/4 IRVEN W. Hayden Jr. 37333265
2005th Ordnance MG (AF)
APO 492 % PM
New York, N.Y.

Thanks a lot -
