

September 27, 1944.

Mr. E. L. Hanstine,  
1001 Hubbard,  
Great Bend, Kansas.

Dear Mr. Hanstine:

I am not acquainted with the formula for iodine liniment, and I do not quite understand your letter. We use a great deal of Cramer's Athletic Liniment.

We use a great number of liniments, but will you not write me and tell me where you got the information on iodine liniment?

Very sincerely yours,

FCA:AH

Director of Physical Education,  
Varsity Basketball Coach.
