Mr. Forest C. Allen
Director of Athletics
Kansas Unniversity
Lawrence, Kansas

Dear Mr. Allen:

Please send C.O.D. a copy of the basketball book that you emphasized in Coaching school. The reason for asking C.O.D. is because I am not certain of the price. This service will be appreciated.

I also would like some information on whether you sell or rent out basketball films of the 16mm variety. Enclosed is a self addressed envelope in which you can send this information.

Very truly yours,

John Hall
