

Nov 18.

Dear Doc:

Its been sometime since  
I've written and sometime  
since I've had what you  
might call a regular  
address.

I'm now stationed on  
temporary orders for 30-60  
days in Panama. I'm not  
very fond of the idea but  
little I can do about it.  
I would much rather  
beat sea. Sounds funny  
coming from a mid western  
farm boy who had never  
been on a ship might be  
joined the navy but there  
is something about the  
sea that a fellow likes.  
Of course we will all settle  
for the good old U.S.A. and  
a civilian suit again.  
Haven't had much chance  
to get all the football dope
