Dear Mr. Holmes:

Answering your good letter of the 5th instant, I am happy to send you our Missouri Valley Conference and Big Six record for the University of Kansas since I have been coaching here.

Coach "Hee" Edmondson is a fine coach and has made a splendid record. I appreciate your loyalty to the state and I believe you will find that we have won more titles than "Hee", but he will give you a heck of a race.

Sincerely yours,
