Mr. Simon Hurwitz,
Lawrence Sanitary Milk Co.,
Lawrence, Kansas.

Dear Simon:

Just because I haven't written you is not because I haven't thought a thousand times how wonderful you were to give us those two quarts of eggnogg. The whole family enjoyed every sip of them and they were great.

Since Rotary hasn't met for two weeks I will be seeing you next Monday and telling you again how wonderful you were to think of us.

With every good wish for a happy and prosperous year for you and yours, I am

Rotarily yours,
